# Ignite AP Web Site

1. Home

    a. **Event CountDown Slider :**

        i.

        ii. The Event Slider Can be Created By Admin, with adding a background image and main title and count down and short desc and a CTA link.

    b. **Statistics:** Present key statistics reflecting Ignite AP's influence, including attendee numbers, outreach, and community engagement metrics.

    c. **Details about Ignite** AP Comprehensive information about Ignite AP, highlighting its mission, vision, and impactful initiatives within the region.

        i. This Should contain a Know **More Link** that links to About Us page and ignite section

    d. **Details about Wission Talks:** Comprehensive information about Wission Talks, highlighting its mission, vision, and impactful initiatives within the region

        i. This Should contain a Know **More Link** that links to the about us page and ignite section.

    e. **Why Join IGNITE**: Will be provided with 6 Cards, in horizontal row.

    f. **Our Events** : A Horizontal 4 columns Cards , with an animation to float the card
        i.

        ii. We are expecting and dynamic event creation feature from the admin, the admin can create and event with adding event title , background image and a CTA (to more detailed described page)

        iii. When we create an event from the admin a new page with detailed info and a card in the home page should appear.

        iv. An event can be archived so that it means not visible to users but not deleted (active or not active)

    g. **Key Partners:** Showcase essential partners who contribute significantly to Ignite AP's success, emphasising their roles and collaborative efforts.

i. The first is Golden Sponsors (3 cards) rolling with less speed
ii. The Second is Silver Sponsors (5 cards) rolling with more speed
iii. The Third is Bronze Sponsors (horizontal strip 8 small rolling cards with higher speed)

2. About Us

a. About Us page will show case about the IGNITE AP and Wission Talks
b. A Page Header(Slider or Banner)
c. Mission & Vision
d. Team Details (With Linkedin Profile Link and profile picture)

3. Partners

a. **State Partners (Merchandise, Gifting, etc.):** Categorise state partners based on their contributions, such as merchandise partners and gifting partners, emphasising their diverse roles within Ignite AP's initiatives.
b. **Form for Partnerships and Collaborations:** Provide a user-friendly form for potential partners and collaborators to express interest, streamlining the partnership application process.
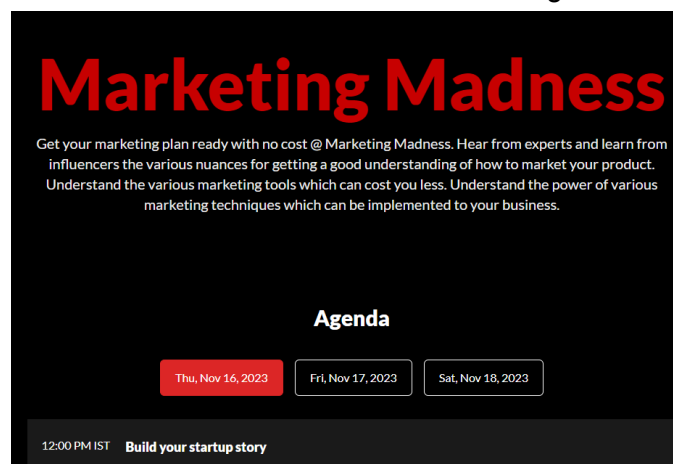

4. Speakers

a. **Information and Pictures of State-level Event Speakers:** Showcase speaker profiles and event-related information, allowing attendees to familiarise themselves with the distinguished speakers participating in Ignite AP events.
b. We are expecting all cards , each card with individual person with their linkedin link and profile photo with position

5. Events

a. Any Event Can be created from backed end
b. Events Page Should Show Case the Events in ascending format
c. **Sub Event Page**
    i. An Event should have its own page
    ii. Now we will see how each sub event design

    iii.
    iv. The Event title and description and agenda should be fetched dynamically from the events created by admin
    v. The agenda has an timeline with same design

      vi.   And speakers below the timeline and should follow the same design as below

      vii.   An Event Should Have own link (which can be added dynamically)
    d.

6. Idea Register

    a. **Submission of Pitch Deck and Pitching Videos:** Enable students to submit their pitch decks and pitching videos, providing a platform for innovative ideas and concepts.

    b. **Student Profile :** Student Profile Can be Built with profile picture, short description, social media links

    c. **Registration Numbers Generated:** Implement a system to generate unique registration numbers for each idea submission, ensuring efficient tracking and organisation.

    d. **Approval Status:** The Student Can be Notified of the Approval Status of the Idea Submission.

7.Conclave Registration :

      For the 4th level page, we have multiple events where there will be registrations of multiple events so we need different pages for the below events. (Same as sub-events page mentioned above)

7. Contact Us

    a. **Point of Contact Numbers and Emails:** Provide direct contact details, including phone numbers and email addresses, allowing interested parties to reach out for inquiries and assistance.

    b. **Call now option**
